<b>INGREDIENTS</b>	
Fish Meal, Wheat Germ, Ground Brown Rice, Dehulled Soybean Meal, Spirulina Algae Meal, Calcium Carbonate, Yeast Culture, Shrimp Meal, Fish Oil, L-Lysine, DL-Methionine, Betaine, Pyridoxine, Hydrochloride, Choline Chloride, L-ascorbyl-2-polyphosphate, Lecithin, Calcium Pantothenate, Astaxanthin, Thiamine Mononitrate, Canthaxanthin, Menadione Sodium Bisulfite Complex (source of Vitamin K), Biotin, Vitamin D3 Supplement, Folic Acid, Riboflavin, DL-Alpha Tocopheryl Acetate, Nicotinic Acid, Vitamin A Acetate, Zinc Oxide, Vitamin B-12 Supplement, Lactobacillus Acidophilus, Lactobacillus Casei, Bifidobacterium Bifidum, Streptococcus Faeium, Dried Aspergillus Oryzae Fermentation Extract, Torula Dried Yeast, Natural Mixed Tocopherols (a Preservative), Citric Acid, Ascorbic Acid, Rosemary Extract, Manganous Oxide, Ferrous Carbonate, Copper Sulfate, Zinc Sulfate, Calcium Iodate, Cobalt Carbonate.	
<b>5M8N-RHI-S 3</b>	
<b>DIRECTIONS</b>	
Feed as a complete diet to fish.	
<b>IMPORTANT</b>	
Do not overfeed as excess feed will decompose in the water, resulting in poor water quality, which in turn can be harmful to the health of the fish. Enhance product shelf-life by avoiding prolonged storage, particularly with adverse heat, humidity and direct light conditions. While vitamins have been increased to compensate for unexpected destruction/loss, product best used within two months of purchase.	
<b>CAUTION</b>	
Store in a dry, well-ventilated area protected from rodents and insects. Do not feed moldy or insect-infested feed to animals as it may cause illness, performance loss or death.
